▶ Pet Sitter

Providing loving care and pet sitting for your pets while you are away from your Monument home....

▶ Special Needs Pets

Just like people, pets sometimes need medications or special diets...

▶ House Sitting

In addition to pet sitting, I'll make sure your home looks "lived-in" adding to your pet's security...

Peace of Mind

A professional pet sitter gives you **peace of mind**.

While having your neighbor or a responsible kid from down the block check in on Fido usually works out fine, what happens if there is an emergency?

Just complete the [Contact Form](#), to schedule a "get acquainted" visit with your pet.

Free Consultation

Our initial meeting is completely free. No charge to you at all. Nada.

Just complete the [Contact Form](#), shoot me an email, or call and I'll get back to you as quickly as I can to schedule our first meeting with your pet.

Oh! I almost forgot, my dog and cat clients know me as "the treat lady"!

Let's get started!
